

Knowledge Shop IQ

Registration

Knowledge Shop IQ is on-demand training like you've never experienced before.

Each program contains:

- 10 modules targeted to a specific level
- Each module is generally an hour plus of interactive video based learning
- Embedded quiz questions test and refine your knowledge
- Reference notes
- 24/7 access to each module for 12 months
- No caps on how many times the registered user accesses the module – so you can recheck and revise content!
